Retired Faculty and Staff Centennial Scholarship
Fair Market Value as of October 31, 2016: \$133,731

This Fair Market Value (FMV) report is intended to keep you abreast of the status of the **Cal Poly Retired Faculty and Staff Centennial Scholarship** endowment during the year. The current FMV includes the annual payout withdrawal for 2016-17, as well as the ebb and flow of investment markets throughout the year.

Two years ago, with the assistance of staff in the Financial Aid Office and the Scholarships and Trust and Endowment Offices, the annual payout for the Centennial Scholarship was restructured to provide for a second \$3,000 scholarship every third year. Presently, the annual withdrawal from the endowment is \$4,000, with \$3,000 going to the current scholarship and the remaining \$1,000 going to a holding account for RFS. At the three-year point, enough funding has accumulated to award the second \$3,000 scholarship, in addition to the original annual award. This will continue as long as the endowment maintains a FMV that will support this structure. The two recipients for the 2016-2017 academic year are Sofia Ilic from the College of Architecture and Environmental Design, and Isabelle Barnes from the College of Agriculture, Food, and Environmental Sciences. We congratulate Sofia and Isabelle on their awards and hope to introduce them at this year's June Jubilee.

Please keep in mind your designated contributions and lifetime membership fees go directly into the endowment's Principal balance and provide the foundation for continued scholarship funding. Thank you to all who continue to support this effort.
-Richard Equinoa, Scholarship Coordinator, January 2017

Members and friends are invited to explore the RFS Club website at <http://www.cpretirees.org/index/html>. One of our students in Donor Relations, Mr. Matt Horst, has updated the site. There is an opportunity to provide direct input by filling out a brief questionnaire. We welcome your ideas and suggestions.

Our Best Friends: University Development

The Retired Faculty and Staff Club would like to acknowledge the phenomenal support received from the Donor Relations arm of University Development, namely Director Eileen Amaral, Assistant Director Jenny Gann and Special Events Coordinator Megan Hobbs. Our quarterly events could not happen without their unflagging enthusiasm, planning, computer expertise and overall “get ‘er done” attitude. Catering, setup, transportation, select parking near venues, and program support are just a few of the activities that are critical to the success of the Club events. Sensitivity to our constituents needs is paramount and it is genuinely recognized. The year culminates with the annual June Jubilee. Always a momentous and respectful occasion, the Jubilee brings us together as a viable retiree group appreciated for our service and ongoing relationship with the university. We are grateful these three plan this event for us!

Please join us in saluting Eileen, Jenny and Megan!
