THE COLLEGE OF ARCHITECTURE AND ENVIRONMENTAL DESIGN

NOTE: Please bring a jacket as the Mezzanine can get chilly

****Reservations required by noon on Wednesday, Feb. 20th****

The Cal Poly Retired Faculty and Staff Club will be one of the first groups to dine on the mezzanine floor of the Simpson Strong-Tie Materials Demonstration Lab. It is an active working and learning space for students in all five disciplines of the College of Architecture and Environmental Design (CAED). The relatively new Lab's construction provides students with a firsthand look at the various tie-down systems currently used in the Construction Industry. Luncheon attendees will have that same opportunity!

SIMPSON STRONG-TIE LAB (continued from page 1)

College of Architecture and Environmental Design Dean Christine Theodoropoulos will join us and provide a brief welcome and overview of the College. Additionally, Construction Management Department Head Al Hauck, will speak briefly about the lab facility and its capabilities. A team of construction management students who recently participated in a regional design and problem solving competition will join us to showcase and present their project to us. I think you'll agree that this is an example of Learn By Doing at its finest. We will end with an informative tour led by the College of Architecture and Environmental Design Ambassadors.

WHO, WHEN, WHERE!

Edgar Carnegie (Bioresources & Ag Engineering) and his wife Mary Ann stay busy and seem to meet themselves coming and going like most other active retirees.

Connie Breazeale (Home Economics/Food Science and Nutrition) has been remodeling her kitchen.

Evelyn Reagan (Library) spends time watching the river; bird watching, and teaching "jamming & jellifying."

REMEMBERING OUR FRIENDS IN PASSING

Edward H. Baker (Aero) passed away in December. Hired in 1968, Ed taught for 30 years and received the Distinguished Teacher Award in 1985-86.

Adelina DiBenedetto (Academic Records) passed away in late December. Adelina skillfully administered student records during their transition from System 36 to microfilm to SIS.

Peter K. Phillips (Facilities Planning) passed away in October. Peter worked for 35 years as Architectural Coordinator before retiring in 1996.

Larry Rathbun (Agricultural Education) died in Late December. Larry, a Cal Poly grad, played an integral part in development of the Costa Rican E.A.R.T.H Project. He also served as Department Chair and Associate Dean of Agriculture before retiring in 2001.

RETIRED FACULTY AND STAFF CENTENNIAL SCHOLARSHIP

It is my pleasure to introduce our 2012-2013 Retired Faculty and Staff Centennial Scholarship recipient Kathrine Muirhead, a freshman Environmental Engineering major from San Diego County. In a recent Thank You note, Kathrine expressed her personal appreciation and gratitude and that of her family for the generous support of our members. As you can imagine, at this time in her life Kathrine's plans for her academic experiences and post-graduation are many. We hope to have her join us at an upcoming event and share her thoughts and plans with all of you.

Please keep in mind that your designated contributions and lifetime membership fees go directly into the endowment's Principal balance and provide the anchor needed for continued scholarship funding. Thank you to all who continue to support this effort.

Richard Equinoa, Scholarship Coordinator, February 2013
